Scope of Work

- To identify potential hazards and safety risks within the school premises and recommend preventive measures.
- To prepare, review and implement the School Disaster Management and Emergency Response Plan.
- To ensure clear evacuation procedures, emergency exits, assembly points and emergency communication arrangements.
- To organize periodic fire, earthquake, evacuation and other emergency preparedness drills.
- To create awareness among students and staff regarding disaster preparedness, first aid and safety procedures.
- To monitor the availability and proper maintenance of fire safety equipment, first-aid facilities and other emergency resources.
- To coordinate with local emergency services and relevant authorities whenever required.
- To maintain records of safety inspections, drills, incidents, observations and corrective actions taken.
- To work in accordance with school policies and applicable safety guidelines issued by CBSE and relevant government authorities.

Tenure

The Disaster Management & School Safety Committee shall remain effective for the academic session 2026 – 2027 or until modified by the school management.
